21: 4 Q Was there a change in terms of the pain  
5 being more localized to radiating, or do you not  
6 know? I mean, you said it was localized before. I'm  
7 just curious if at the time you coughed -- I know  
8 you're saying it became intolerable, but was it  
9 different or just more intense than the pain you'd had  
10 before?  
11 A No, ma'am. It was the same, it was just --  
12 it was just -- it went from taking Motrin and being  
13 bearable to being unbearable.  
14 Q And then did you go to the emergency room  
15 that -- you said the next morning.  
16 A Yes, ma'am.  
17 Q Okay. That evening, what did you do after  
18 you -- were you able to get yourself off the floor, or  
19 did you --  
20 A No, ma'am; I had help to get up.

24: 9           Q     Why did you see Wiss? Did he ask Wiss  
10 to take a look at you?  
11           A     Dr. Padget came in and basically gave me  
12 two choices: One was to be out of work for a year and  
13 a half and basically heal naturally, and the other was  
14 to have surgery. After my wife and I talked, I  
15 elected to have the surgery.  
16                     When I told Dr. Padget that I would rather  
17 have the surgery than to be out of work for a year and  
18 a half, he told me that he no longer did the surgery,  
19 but that Dr. Wiss, who was his associate right  
20 there, did do the surgery.  
21                     At that point, Dr. Padget went out, and a  
22 few minutes later he returned into the room with Dr.  
23 Wiss.  
24           Q     So you were setting up to have the surgery  
25 by Dr. Wiss?  
25: 1           A     Yes, ma'am.  
2           Q     And then apparently that was denied by  
3 worker's comp, and that's how you got to Garcia?  
4           A     Yes, ma'am.  
5           Q     When did you first see Dr. Garcia,  
6 approximately?  
7           A     February the 22nd, 23rd, somewhere right in  
8 that.

### Pg: 26 Ln: 10 - 19

26:10 Q To your knowledge, has Dr. Garcia been paid  
11 for that surgery?  
12 A Yes, he has.  
13 Q Do you know who paid that?  
14 A A majority of it was paid through my health  
15 insurance, Blue Cross & Blue Shield. The remainder,  
16 we paid. I paid out of my personal -- myself  
17 personally.  
18 Q Approximately how much have you paid out of  
19 your own pocket for the surgery?
